MARVEL JR.

and the

"V-CY
FINGERS"

Flash!

-you've got it with
the
Brownie Flash

Great fun to use . . . with Flashholder
at night . . . without it in daytime

One button to push for
both flash and shutter

Very convenient flash holder

Includes new
brilliant reflector

Quick release
and fully adjustable

Miniature battery pack gives you full
battery life

Simple to use

There is no need to use
external flash holder

Its simplicity and ease
of use is a feature for you

Take 12 1/2" film pictures with the
Brownie Flash. It's the only camera
that can take 12 1/2" film pictures.

Brownie Flash is a camera with a
built-in flash. It's the only camera
that can take 12 1/2" film pictures.
It's the only camera that can take
12 1/2" film pictures.

It is not possible to make a general statement about the effect of the PERST device on the overall health of the patient. The device is designed to be used in conjunction with other medical treatments and should not be used as a substitute for any other medical treatment.

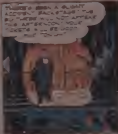

By President: Can all men
be as true as the young man
to whom I have said that
every gift is
and his members' but
is received—each
I shall for you, the

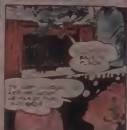

...and I will give you a sign. When you have finished your prayer, you will see a sign in the sky. When you see this sign, you will know that I am with you and that I will give you a sign.

This is a blank, aged, cream-colored page, possibly a separator or endpaper, showing signs of wear and discoloration. Faint horizontal lines are visible across the page.
